

GREENHEART
LEARNING PARTNERSHIP 

Attendance & Punctuality Policy

Introduction

Greenheart Learning Partnership are united in their belief that regular school attendance is the key to enabling children to maximise the educational opportunities available to them. Helping them to become emotionally resilient, confident and competent adults who can realise their full potential and make a positive contribution to their community.

Edgar Stammers Primary Academy values all children. As set out in this policy we will work with families to identify the barriers to achieving and maintaining excellent attendance and offer the right service at the right time to try to resolve any difficulties.

The Attendance Leader (Laura McGee) and Attendance Officer (Sarah Williams) will monitor attendance and use attendance data to identify any patterns of concern, whilst also celebrating success. Attendance concerns will be raised with parents if reasons are not known by the school, e.g. a long period of illness, this information may be shared with the Local Authority following concerns. Where we have concerns, or lack of engagement from families to improve attendance, we will follow the schools escalated approach to improving attendance. The schools escalated approach is child-centred and prioritises support and developing strong working relationships with families. We will use the Early Help process to provide support prior to escalation and consider how we can work with families to enable your child to access their right to education.

Our aim is to always to work in partnership with parents and any referral for consideration of a penalty notice is deemed to be a last resort at Edgar Stammers Primary Academy. Attendance figures for each child will be reported to parents as part of the annual report. Parents can also access their child's attendance record through the My Child At School (MCAS) app at any time. Throughout the school year the Attendance Team will report on the overall attendance, this will be closely monitored for support.

To support good attendance, and safeguarding, at Edgar Stammers Primary Academy we:

- Ensure the school is welcoming and every child feels a sense of belonging and connectedness.
- Ensure the school site is open at the stated times.
- Ensure the regular, efficient, and accurate recording of attendance is complete by every class teacher each day. This further supports our approach to safeguarding within the school.
- Take safeguarding seriously and we will always contact you on the first day that your child is absent from school.
- If your child arrives late after the close of registration, they must be signed in by a parent/carer through the electronic system in the Main Reception.
- Consider any requests for leave in term time individually. This will be aligned to the Local Authority code of conduct.
- Inform the Local Authority and Greenheart Learning Partnership of children whose parents have notified the school in writing and have opted for Elective Home Education.
- Work closely with the Local Authority Attendance Service Team.
- Notify the Local Authority of Children Missing in Education – aligned to the DfE 2022 Attendance paper.

A whole school approach to supporting attendance at Edgar Stammers Primary Academy

Securing good attendance at Edgar Stammers Primary Academy cannot be achieved in isolation, and effective practices for improvement will involve working closely with other Leaders within the school. The Attendance Leader will work alongside the Deputy Headteacher, Behaviour Leader, SENDCO and Learning Mentor to facilitate a whole school approach. Our teachers and support staff at Edgar Stammers Primary Academy receive regular training around attendance and punctuality and will liaise with the wider Attendance Team regarding concerns they may have.

The Strategic Approach

Edgar Stammers Primary Academy adopts the 5 Foundations of Effective Attendance Practice framework, this is modelled on the work of Professor Katherine Weare. The emphasis is on developing a school culture and climate which builds a sense of connectedness and belonging to ensure all children can attend school and thrive. The approach ensures we prioritise building solid working relationships with children, and parents, prior to escalation. The staged approach we follow ensures we identify triggers early that can lead to poor attendance issues such as mental health issues, lack of trust, communication and relationship breakdowns and the possible lack of networking opportunities both internal (in-school) and external (external agencies).

Aims of the 5 Foundations strategy

- Increase school Attendance and reduce Persistent Absence to meet set targets.
- Ensure Attendance is well managed within the school, with the appropriate level of resources allocated.
- Enable the school to make informed use of attendance data to target interventions appropriately, focusing on the key demographic groups highlighted in the 2024 DFE paper.

Objectives

- create an ethos within the school in which good attendance is recognised as the norm and every child aims for excellent attendance.
- make attendance and punctuality a priority.
- set focused targets to improve individual attendance and whole school attendance levels.
- embed the 5 Foundations of Effective Attendance Practice framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks with respect to promoting attendance and punctuality.
- record and monitor attendance and absenteeism and apply appropriate strategies to minimise absenteeism.
- develop a systematic approach to gathering and analysing relevant attendance data.
- provide support, advice and guidance to; parents, children and develop mutual cooperation between home and the school in encouraging good attendance and in addressing identified attendance issues.
- Demonstrate, using rewards, that the school recognises good attendance and punctuality are achievements in themselves.

5 Foundations of Effective Attendance Practice

The main aim of the framework is to ensure the school promotes a culture of good attendance and celebrates success. Ultimately, the framework will ensure there is a culture of feeling safe and school being a place where children want to be.

Positive health and emotional well-being are key factors in improving social development, school attendance and educational achievement. The 5 Foundations of Effective Attendance Practice model promotes, and supports, a whole school approach to mental health and emotional well-being; ensuring SEMH support remains a key driver in improving attendance for all children.

Each Foundation is supported by 5 Key Performance Indicators, these are used to ensure the school can embed the Foundations framework and understand the strategic direction regarding attendance improvement. Each year the school will use the 5 Foundations self-assessment tool to understand what works well and identify what we need to do even better. We then follow the 5 Foundations school improvement process to implement the attendance plan and ultimately improve the lives of children and families we work with.

Foundation 1 Whole School Thinking Culture & Climate

The school has a fully embedded ethos in which excellent school attendance is expected, developed and nurtured. An escalated approach ensures the school has a deeply embedded and consistent whole school approach to improving attendance.

Foundation 2 Supportive Policies, Systems and Processes

The approach to improving attendance is built on solid policies, systems and processes; this ensures sustainable and continuous improvement drives practice. Succession planning is built around an effective systems leadership model - rather than that of an individual Attendance Leader. The Attendance Policy drives school practice, it is deeply embedded in daily practise and ensures the school sets, and maintains, high expectations to improve the culture of attendance.

**Foundation 3
Professional Learning
Staff Development**

The school prioritises developing a fully engaged team of attendance experts, with a shared vision and core purpose. Through this development the Attendance Leader will raise the status of attendance and ensure improved attendance is both sustained and continuous. CPD will support staff at all levels to fully understand their role in supporting attendance. The development of external partnerships will support attendance improvements through a multi-disciplinary approach for identified children and families.

**Foundation 4
Implement Targeted
Programmes And Intervention**

Data information and analysis direct resources proactively towards key demographic groups and identified individuals. The expert use of data analysis informs decision making at all levels. A rigorous and effective attendance cycle ensures the Attendance Leader not only captures key information but also further understands the 'deeper roots' that creates barriers regarding attendance to school.

**Foundation 5
Connect Appropriately With
Approaches To
Behaviour Management**

Connecting and belonging drives the school approach to supporting attendance - this is deeply embedded in an evidence-based approach. The school has effective routines in place that are followed by staff. Staff at all levels within the school understand the 'deeper roots' regarding poor attendance and this is supported through a systematic approach. The school has developed, and embedded, an effective rewards system to further drive attendance improvements and celebrate success.

Edgar Stammers Primary will always work in partnership with our parents

Edgar Stammers Primary Academy recognises that poor attendance is often an indication of difficulties in a child's life and their lived experience. This may be related to problems at home or in school. Parents should inform the school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school to identify any additional Early Help that may be required. Safeguarding is a priority, concerns for any child at any time will be reported to the Designated Senior Lead for Child Protection (Laura McGee). We will always follow Keeping Children Safe in Education 2024 and our Child Protection Policy.

Some children are more likely to require additional support to attain good attendance, for example, children who are vulnerable, have a medical need or EHCP plan will be monitored and supported in school. At Edgar Stammers Primary Academy, we will proactively identify and follow up on a child's non-attendance and gather information about the child. This will result in taking early action to prevent non-attendance developing and monitoring the impact of targeted support.

The Attendance Officer will initially:

- Check records, including any from other schools which the child has attended previously.
- Discuss with staff how the child is coping with the curriculum
- Speak to the Special Educational Needs Coordinator to establish whether the child is on the Special Educational needs register.
- Take into account the voice of the child and understand any difficulties, e.g. curriculum or bullying and their views on the issue could be addressed.

Children whose attendance falls below 90% are Persistently Absent from school, where a child falls under 50% attendance the child will be classified as a Severely Absent child. Ultimately this will indicate that all intervention, and support, offered by Edgar Stammers Primary Academy has not made the expected impact to improve overall attendance. Where attendance remains a concern and all other interventions and support have not made a significant impact, we will escalate with external partners.

First Day Contact

At Edgar Stammers Primary Academy, we expect our parents to make contact at the earliest opportunity on the first day of any absence. We will always call you if this contact has not been made. Where we have on-going concerns regarding your child's attendance, we will visit your home address and write to you. We will invite you to meet with a member of our Attendance Team to discuss any on-going concerns regarding attendance. It is important that you talk to us first; you are legally responsible under Education Act 1996 for ensuring that your child is in school every day and on time. If we cannot make contact with you, we will continue to make announced and unannounced home visits, regarding any concerns we may have surrounding attendance at Edgar Stammers Primary Academy.

Parents are responsible for securing full-time education

Parents are responsible for ensuring their children receive a full-time education. Each situation will be dealt with on an individual basis, fairly and equitably always remembering the welfare and safety of the child is the paramount concern.

The term 'parent' includes those who are not a natural parent but have parental responsibility for the child as defined by the Children's Act 1989 or have care of the child as defined by the Education Act 1996.

- Absence can only be authorised by the school; parents do not have this authority. All absences will be treated as unauthorised unless satisfactory evidence for the child's absence has been received. In the first instance contact from the parent will be accepted as evidence. However, if a child's attendance continues to cause concern, parents may be asked to provide medical evidence where absences occur repeatedly due to reported illness. This will usually be in the form of an appointment card, prescriptions etc. Absence may be coded as unauthorised without evidence.
- Parents should wherever possible make all medical and dental appointments outside of the school day. Where this is not possible, children should attend school for part of the day. Appointment cards should always be provided as evidence of medical/dental appointments.
- Unless parents have provided a satisfactory explanation and it has been accepted by the school absence will not be authorised.

Examples of unsatisfactory explanations include:

- A child's/family member's birthday.
- Illness of a parent
- Closure of a sibling's school for INSET or other purposes.
- "Couldn't get up".
- Illness where the child is considered well enough to attend school without medical authority and in the absence of a communicable disease.
- Leave during term time taken without authorisation of the school
- Head lice – let the school know and letters will then be sent to all parents in a confidential manner.

Punctuality

- Doors open for the children in Nursery at 8:45am, the class register will close at 8:55am.
- Doors open for children in Reception 8:40am, the class register will close at 8:50am.
- Doors open for children in Year 1 to Year 6 at 8:45am, the class register will close at 8:55am.

Children arriving after the close of registration will be recorded as late. Late marks will not be authorised and will count as an absence for the school AM session. Punctuality is recorded and this will be added to your child's Bromcom record of attendance. A letter will be sent to parents regarding attendance concerns of a child. If a child arrives at school from 09:15am they will be U coded, meaning they will miss their attendance mark for the morning session.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

The absence will be recorded as unauthorised if a child has arrived late without justifiable cause, for example they woke up late.

Transition following long term absence or illness

Absence can significantly interrupt the continuity of children's learning.

During any long-term absence, Edgar Stammers Primary Academy will:

- Maintain contact with the child.
- Carefully plan the transition back to school, ensuring your child feels welcome and gains a sense of belonging.
- Ensure the child once again feels safe in school and if they experience any concerns, they will have an appointed member of staff to work with.
- The Class Teacher and Learning Mentor will support a child when returning to class and help them with any work they may have missed.

Leave during Term Time

From 1st September 2013, the Government amended the England (Pupil Registration) (England) Regulations 2006. Head teachers may only grant leave in 'exceptional circumstances' only. Edgar Stammers Primary Academy observes Walsall Local Authority's 'Leave in Term Time Guidance for schools and Academies'.

Parents wishing to apply for leave during term time must complete a 'holiday request form' for the attention of the Headteacher before making any arrangements. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. Each leave during term time request will be considered on an individual basis.

If a child fails to return and contact with the parent has not been made or received, school may take the child off the school's roll in compliance with the Education (Pupil registration, England) Regulations 2006. This means that the child may lose their school place.

If the permission to take leave is not granted and the child is still absent from school, the absence will be **unauthorised**. In such cases the school will take legal action.

Only in **exceptional circumstances** will absence be agreed.

Persistent Absence

At Edgar Stammers Primary Academy, we aim to communicate the importance of attendance with parents and children. We have a particular focus on reducing Persistent Absenteeism at the school. A pupil becomes a 'persistent absentee' when they miss 10% or more schooling across the school year for whatever reason. This is defined by the Department for Education. Absence at this level (90% or below) is doing considerable damage to any child's education and we need parents/carers full support and co-operation to tackle this.

Period of time used to measure persistent absence and lateness

If your child has unauthorised absence of at least 10 sessions (each school day contains two sessions) or late arrival at school over a rolling period of 10 school weeks, excluding holidays. These absences do not need to be consecutive, you may receive a penalty warning notice and also potentially a fine.

Referral to the Local Authority's School Attendance Support Service

When an individual pupil's attendance is 90% or less, without a good reason, our Attendance Team will offer support to help you to improve the situation. Where that is not successful, or is not engaged with, the law protects pupils' right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents. If school attendance difficulties cannot be improved, the school will make a referral to Walsall's School Attendance Support Service where legal intervention will be considered.

Using attendance data

Children's attendance will be monitored and shared with other agencies and the DfE.

Weekly attendance meetings will be held between the Attendance Leader and the Attendance Team. Meetings will focus on agreed actions for those children of concern. The purpose of each meeting will be to understand the progress the school is making when supporting identified individuals or groups of children. Attendance data will be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.

Statutory Duty

Section 7 of the Education Act 1996 states that the parent of every child of compulsory school age receive efficient full-time education suitable to their age, aptitude and ability and any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of compulsory school age at the beginning of the term following their 5th birthday.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement. Edgar Stammers Primary Academy recognises Walsall Local Authority's attendance guidance and will implement prosecution where it is fair and equitable to do so.

In accordance with the regulations regarding pupils' attendance at school, Edgar Stammers Primary Academy keeps an attendance register on which at the beginning of each morning and afternoon session

children are marked present or absent. The marks are electronically processed and stored on the school's central administrative system Bromcom. This information is shared with the Department for Education.

Legal Sanctions

There are several sanctions that school can take to address the issue of non-attendance. To try and identify the reason for absence we will always talk to you first to identify the reason for absence. We will always ensure the escalated process is followed, focusing on the support a child needs at each stage, however, for lack of engagement in attendance support there are sanctions that will be followed:

Penalty Notices (Anti-Social Behaviour Act 2003)

Penalty Notices will be considered when:

- A child is absent from school for the purpose of a Leave of Absence in term time and the absence has not been authorised by the school.
- A child has accumulated at least ten sessions of unauthorised absence in a ten-week period.

There is a single consistent national threshold for when a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The 10-school week period can span over different terms and school years.

First Offence

The first time a Penalty Notice is issued for a Term Time Holiday or Irregular School Attendance the Penalty Notice will be charged at: £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years of the First Offence)

Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice, the second Penalty Notice will be charged at: £160 per parent, per child paid within 28 days. (Unpaid Penalty Notices after 28 days may result in a prosecution)

Third Offence and any further Offences (within 3 years of the First Offence)

The third time that an offence is committed for either a term time holiday and/or Irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Single Justice Procedure. If found guilty of the offence of 'failure to secure their child's regular attendance at a school' the Magistrates can impose a fine up to £1,000.

Prosecution

Where intervention through the school's process fails to bring about an improvement in attendance, the local authority will be notified and legal proceedings in the Magistrates Court may be taken. The school will provide the Local Authority with evidence required for a prosecution under section 444/4441 (a) of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring their child's attendance at school.

Section 4441(a) of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.

Schools, trusts and local authorities are expected to work together and make use of the full range of legal interventions rather than relying solely on fixed penalty notices or prosecution. It is for individual schools and local authorities to decide whether to use them in an individual case after considering the individual circumstances of a family. These are:

- Parenting contracts
- Attendance prosecution
- Parenting orders
- Fixed penalty notices

Children at risk of Missing in Education (CME)

Children Missing Education (CME) are a vulnerable group of children. All agencies who work with children have a duty to support the Local Authority in ensuring all children are safe and looked after appropriately. **CME** includes those children who are **missing** (family whereabouts unknown), and are children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address **and either**

- has not taken up an allocated school place as expected, or
- has 5 or more days of continuous absence from school without explanation, or
- left school suddenly and the destination is unknown

It is our responsibility as a school to work with the LA Education and Inclusion team, by making referrals.

Celebrating Success

At Edgar Stammers Primary Academy, we feel it is important to reward children who have achieved good or improved attendance. Children who have achieved such progress will be entered into a prize draw to win a voucher on a half termly basis. We will invite parents to attend reward assemblies and display their success within the school. We notify parents of our whole school attendance percentage in our newsletter and advise you when we have school attendance campaign weeks. The weekly 96% Attendance challenge allows classes to celebrate their collective attendance successes. When a class achieves 96% or above, they will receive a token, when they collect 6 tokens, they can enjoy a movie afternoon!

Edgar Stammers Primary Academy will always challenge falling attendance and reward improvements. We are committed to the future of all children that attend Edgar Stammers Primary Academy, and by working in partnership with the school community we believe that together we can achieve more! We can only achieve this by working in partnership with you, if you have any concerns or anything that prevents your child from attending Edgar Stammers Primary Academy, please contact our Headteacher and Attendance Leader, Mrs McGee.
